# St Germans Burial Ground Rules and Regulations 2022-231

St Germans Parish Council respects the rights and needs of the individual and has therefore prepared rules and regulations with a balance that will enable us to manage St Germans Burial Ground effectively and maintain the highest possible standards without placing unnecessary restrictions on individual choices.

In-line with environmental standards, the Diocese of Truro and supported by Tamar Valley AONB, we are now asking for people to refrain from using any plastic materials in our burial ground.

This Council aims to provide the highest possible standards of care, choice and dignity to those who suffer bereavement and to create and maintain an environment where the bereaved can pay their respects and remember loved ones in the way they feel most appropriate.

To assist with this, the Parish Council requests that all visitors follow our rules and regulations. Please be aware that we reserve the right to change these rules and regulations from time to time and that compliance with any changes is required.

## **Administration**

All funeral and cremation administration is carried out by the Parish Council. Please see above for the contact details.

## **Burial Ground Opening**

The burial ground is open to the public 24 hours a day, 7 days a week. This Council reserves the right to make closures as may be necessary for repairs or in the interests of public safety, at any time.

#### **Children**

For safety purposes, no person under the age of 16 is allowed in the burial grounds unless accompanied and supervised by a responsible adult.

## Dogs

No dogs are allowed except registered guide\assisting dogs.

## Alcohol

The consumption of alcohol is not permitted in the burial ground.

#### **Games**
